William Harwood

engaging presentation with Public Advocate William Harwood. He will address the underlying reasons why electricity prices are unusually high and what can be done to lower them.

Join the Mid-Maine Chamber for an

What Happened? How did

Electricity Get So Expensive?

Specifically, he will focus on the unpredictability of Standard Offer prices, the option of selecting a Competitive Electricity Provider and the benefits provided to renewable energy developers. He will discuss the rising cost of restoration of service after major storms and, finally, the need to provide financial assistance to low-income ratepayers.

Entrepreneurial Spotlighter: Hannah Semler, US Farm Drop. Presented by Central Maine Growth Council.

Sponsored by the Harold Alfond Center for Business Innovation at Thomas College.

Cost per person: \$23 members: \$29 at the door and non-members.
