MESSAGE FROM THE BOARD

Returning once again to the scenic Head of Falls in downtown Waterville~ 32nd ANNUAL TASTE of WATERVILLE

Hello friends,

Get ready to enjoy a high-energy day of food and entertainment at Mid-Maine Chamber of Commerce Taste of Waterville on Wednesday July 31, 12-10 PM, Head of Falls. Circle this red-letter date on your calendar and make sure you're part of central Maine's largest outdoor spectacular along the beautiful Kennebec River.

Best of all, there is no admission to join us for the day – and, save on your feet by utilizing our free sponsored golf cart transports from multiple parking venues.

The Taste, supported by a multitude of local businesses, will be a day and night brimming with entertainment, delicious food options, adult beverages, and boundless fun, featuring exciting new enhancements, including a dunk tank. Sample an array of foods from dozens of food trucks, food vendors, cool off with several beer and wine gardens, and brew tastings from a lineup of top brewers. Secure your brew sample tickets early as they're sure to sell out fast! (See information on the Taste website).

A day at the Taste will include continuous music and entertainment throughout the day and into the evening. We're thrilled to announce that The Fossils will be this year's concert opener, with Stolen Mojo headlining the main stage from 8:30-10 PM, promising to "help get your mojo on"! Daytime entertainment will include performances by Snow Pond, Colby Arts, Downeast Brass, and other local performers. Absolutely, a diverse array!

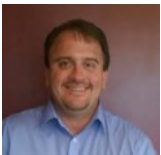

This year's Taste will once again feature a competitive cornhole tournament with some major cash prizes. Get in on the action – gather a team and sign up to showcase your skills, or simply kick back, enjoy some refreshments, and cheer on the competitors. Registrations are available online or on the day of the event.

Looking to be part of the fun? It takes hundreds of volunteers for an event of this magnitude. If you have a few hours to spare, please join us. Signups for multiple assignments and time slots are available at www.tasteofwaterville.com/volunteer.

The Mid-Maine Chamber of Commerce is extremely excited for this year's event! Come join us on July 31 for what is sure to be another remarkable day and night filled with pure delight!

FMI: www.tasteofwaterville.com to sign up to volunteer or to register for the cornhole tournament and/or brew tasting.

May the Taste be with you . . .

Waterville Area Soup Kitchen

at The Lighthouse

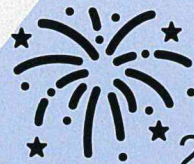

Our mission

Provide delicious, nutritious meals in an accessible, welcoming setting for those in the greater Waterville area who would otherwise go without

The **Waterville Area Soup Kitchen** extends a heartfelt gratitude to the greater Waterville community for their support, enabling us to achieve two significant milestones

In May, we celebrated our 2nd anniversary at our College Ave kitchen and dining room, affectionately known as "the Lighthouse"

We recently surpassed 100,000 meals prepared for our guests

A Brief History

The Waterville Area Soup Kitchen celebrates its 4th anniversary this summer. Founded as a non-profit during the height of the COVID-19 pandemic in the summer of 2020, it was established to fill the gap left by the closure of the Sacred Heart Soup Kitchen. Initially, due to the pandemic and limited resources, we operated on a small scale. Volunteers met twice a week to prepare hot soup or stew and make a few dozen sandwiches. These were then distributed from personal vehicles at strategic locations around Waterville, ensuring a hearty meal for anyone in need.

In the spring of 2022, we secured a physical location, welcoming guests inside to dine. Since that time, "The Lighthouse" has been serving lunch, featuring a hot entrée with sides and desserts. A team of volunteers prepare and serve an average of 300 hearty meals each day. Additionally, the Lighthouse offers breakfast, including cereal, toast, muffins, juice, and coffee.

Our All-Volunteer Organization

In addition to our Board of Directors, we have a dedicated team of about 70 volunteers who are essential to our operation. These volunteers include teams from local businesses and the faith community, each committing one day a week to assist with serving lunch. We also have individuals, ranging from young adults to seniors, who regularly contribute their time and effort.

There is no paid staff. Every role - from cooks and food preparers to those serving meals and pouring beverages, from table cleaners and spill handlers to dishwashers and floor sweepers - is filled by volunteers. Their collective effort is what makes our mission possible.

Our Guests and Visitors

Our mission is simple: to provide nutritious meals to those who would otherwise go without. We serve a diverse cross-section of the community including the homeless. Some may be staying at the shelter on Colby Street, couch-surfing among friends, or entirely unsheltered. Others are living on the financial edge. Many people pick up meals to take home to family members or neighbors who rely on this assistance.

We also welcome those in need of friendly social interaction including the elderly, veterans, and the disabled. A welcoming place to sit and visit over coffee or a meal can make a profound difference in one's life.

Community Support

The Waterville Area Soup Kitchen is able to fulfill its mission because of the generous support of individuals, local businesses, charitable organizations and the City of Waterville. We are grateful to be the beneficiary of individual monetary donations, grants from foundations, and in-kind contributions from many local businesses and individuals.

2024 Mid-Maine Chamber Golf Classic

Waterville Country Club—June 17,2024

It was a “beautiful day in the neighborhood” – and on the course!

The weather cooperated, the golf teams gathered, the sponsors offered support—and the volunteers were great!

Altogether, the day was awesome! If you weren't able to join us this year, make it a point to mark your calendars for next year—you'll be glad you did.

Thank you once again to Mid-Maine Chamber Golf Classic Chair Gary Levesque, Rick Whalen, Mike Guarino Waterville Country Club's Don Roberts, Nick Pelotte, and WCC staff members for your assistance with our tournament and to our Beverage Buggy Drivers. It was much appreciated.

There were smiles on the faces of our golfers and there were some very impressive shots (on the green and off).

Special thanks go to our sponsors, golf teams, contest winners and the volunteers who assisted for the day. We appreciate you.

Congratulations to our 50/50 Winners:
